## The Sock Challenge!

What do you do with a pile of old socks....

Create things!

I've made 4 different things...

What can you create?

# A sock hand Puppet!

Add eyes, a tongue and a spine down his back...perfect for old toe socks!

# Sock Caterpillars!

All you need for these creatures is  
A sock  
some elastic bands,  
a pipe cleaner for antennae  
some googly eyes  
PVA glue (or glue gun)

# Sock Monkey!

All you need is ....

A long sock

Scissors

Some hand sewing skills

Some googly eyes

PVA glue (or glue gun)

(this one also has a hat made from an old sock)

# Sock-topus!

All you need is....  
Lots of socks  
an elastic band  
Googly eyes and PVA glue  
....I think he may be my favourite!

# And back to sketching practice in our Sketchbooks!

I have chosen a famous painting.

**Raoul Dufy 1928**

***'Interior with an Open Window'***

I have sketched out all of the detail.

This made me look at the picture really closely.

Why don't you have a go!
