Dear Parent Carer

Thank you all for working with us during this time, we really do appreciate your support. I am writing to update you with what has changed since my last letter dated 5th January 2021.

A large proportion of staff working on school premises are now being tested using a LFT (Lateral Flow Test). This test is for asymptomatic staff and not for staff who may be displaying symptoms and who should follow the national guidance of staying at home and requesting a PCR test.

I would like to assure you that we are doing everything we can to protect our pupils and staff and I will keep you updated on any changes we are asked to make. If you do have any questions please do not hesitate to contact me.

Yours sincerely

Deb Rattley
