Wow Kyle! What a fabulous new chair you have! It looks so comfortable and It's right next to your juke box, perfect! I bet there are loads of songs on it for you to listen to!

“Where’s Nemo?” We love your “Under the sea” themed photo Kyle! We really thought you had gone to the sea life centre. We heard you had lots of fun with your Mum’s new phone app! What adventures will you go on next?

Look at Molly your pet cat, she is beautiful! Molly looks extremely comfortable on your sofa. We hope she doesn’t sit in your new chair! If she does you know what to say to her..... “Get Down!”

Wow Tim! You have been busy working on your “30 days wild bingo” challenge. You found a nest with a black-bird inside, be quiet so she doesn’t fly away! You were very brave when you put your hand through a spiders web while exploring the garden. You also found a worm! Excellent work Timothy, well done!

Timothy looks as if he is having great fun in the garden playing skittles! How many skittles can you all count? 1,2,3,4,5! Did you manage to knock them ALL down? Strike! We love all the different colours of your skittles Timothy.

Fern looks extremely pleased with her sunflower and tomato plants. You have certainly got green fingers Fern! They look amazing! We wonder how big everyone else's sunflowers are? How many tomatoes can everyone see on the plant? In a couple of weeks, they'll be ready to eat just as they are or maybe as a chutney! "Stay calm and keep gardening!" Keep up the fantastic work Fern!

Fern has also been out and about! She enjoyed visiting her Nan and loved sitting under the trees, feeling the breeze on her face! We all like going outside in the fresh air!

Megan has also been enjoying the great outdoors and enjoyed 'ramp rolling' and exploring forest school.

Look Jimmy and Mason, Megan has found some tadpoles in the pond just like the ones you found! Soon they will be frogs and we might hear them croaking!

Jack has got some exciting news to share this week! He has had a new puppy called Jasper. He is a very loving pup and likes to give Jack lots of kisses. We hope he's not keeping you up in the night Jack!

Jack even brought Jasper to the prom party as his guest. He was very well behaved and didn't seem to mind all the music and noise. Jack looked very smart and enjoyed hearing his friends song choices. Jack will be sad to say goodbye to his friend Cayla who is leaving school this year. Hopefully she will come back to visit us Jack.

Jessica had fun making her own discovery bottle. She decided how much water to put in the bottle and chose different items to float inside. Jess has also been getting active with our keep fit dance. Her favourite move was 'rolling down the river'

A Special 16th Birthday

Happy 16th Birthday to Jimmy! We all hope you enjoyed your special day Jimmy.

Jimmy had some very special gifts which included football shirts from the year he was born. Jimmy is enjoying following Wolves at the moment and watches the games with Dad.

He also enjoyed pranking Dad by the pool by making him think he was going to jump in! I think it was a bit cold though so he is waiting for it to warm up and then he can test out his amazing lily pad float.

Jimmy wasn't too impressed with his title of 'His Lordship' Although he did see the funny side and the football shirts definitely made up for it!

We love the look of your new book Jimmy, we would love you to bring it in to show us all in September. Maybe there are some things we could all do together?

Last Thursday we enjoyed a “sensory bingo” lesson as Fern is a big fan of the game. We all had to find items from around our house that represented each of the five senses. We loved seeing what you had all chosen. It was lovely to welcome Rosie to join in with the fun too and guess what.... she won BINGO in joint place with Jack. Well done both.

You can watch the lesson back by clicking the link below
