Hello to all of our families and our friends at Chads Grove college. It is fantastic to be back in school with our pupils and friends again. Everyone is settling back into school life really well and we are so proud of everyone.

We really enjoyed sharing our weekly news during lock down and felt it was something positive to focus on during such an uncertain and strange time. We would like to continue sharing news with you this term so that you can be involved in our community work and see what your son/daughter has been engaging with and learning at school.

We hope you enjoy reading what everyone's been up to and please feel free to send me any photos of things that have been happening at home too :) My email is

ams83@chadsgrove.worcs.sch.uk

Communication

We have been exploring our emotions this week and reading the book 'My Many Coloured Days'. We have linked colours and music to different emotions. The colour yellow made us happy (especially Jimmy as it's his favourite colour!) Each pupil is making their own emotions book so they have been busy getting creative and choosing how they want their 'happy' page to look. We can't wait to show you the finished books.

Engagement for Living

Everyone has been engaged and interested in exploring outside. We enjoyed finding things that made sounds in the sensory garden and Timothy found a creative way of reaching up to listen to the chimes. Everyone is practising hard on their looking skills and have enjoyed using the eye gaze again.

Health

We love spending time outside and with the nice weather we have had we have made the most of it! Everyone enjoyed doing their movement programs under the big tree outside the classroom. We have also been having loads of fun playing group games out on the playground. One of our favourites so far has been what's the time Mr Wolf! Jessica loved moving her legs to the beat in music especially when we went fast and slow!

Community

We are continuing our community work in class this term and have made a good start by making our college friends a card and friendship bracelet. We hope they like them!

Reading

We love reading in this class! We are really enjoying Georges Marvellous Medicine and The Twits at the moment. Ren is doing a great job of all the characters voices and everyone ends up in hysterics.

We hope you enjoyed this weeks edition and look forward to next weeks. Love everyone in 14US x
