Your work may appear in our next gallery!

SCIENTISTS OF THE WEEK

Yes! We have 2 ‘Scientists of the Week’ this week...both from 6LS!

A huge well done to

Daniel

who has been a scientist in action since lockdown and has shared these amazing photo's of his eggs hatching.

Well done Daniel.

Also congratulations to

Thea

who has created her own exploding volcano! It looks a bit messy Thea!

Well done Thea.

Remember to check out the science section on the website for some home learning ideas and please keep sending your photos to us. We really do love seeing what you've been up to! If you're interested in joining the online science club then get in touch with Mrs Hockey for more information. Happy experimenting!

Chadsgrove Charities Team invites:

Pupils, staff, parents and families to join in with a
virtual Race for Life

Starting on Tuesday 12th May for 4 weeks

We are not setting a limit so let's see how far we can go between us all!

You can walk/wheel or if you fancy something different there is a
Jumping Jacks challenge of 500!

Donations can be pledged through

<https://www.justgiving.com/fundraising/chadsgrove-school>

Photos and videos can be sent to charities@chadsgrove.worcs.sch.uk

Sports Equipment
for
Lower School Pupils

All pupils in lower school will be receiving this week a bag of Sports Equipment which has been funded by the Primary Sports Premium Fund. This bag of equipment is to support pupils exercising at home. Please share how your child uses this equipment with the class teacher and on twitter [Chadsgrove_PE@ChadsgroveP](#)

Sports Week

By the 5th June all pupils will have received the Chadsgrove Virtual Sports Week booklet. This booklet has activities for each class to take part in during the week. The results will then be collated for the House Cup Winners and the Sports Day Winners.
