Dear Parent Carer

Following on from my letter on Tuesday I am writing to clarify a few issues.

If your child is attending the morning or afternoon sessions, then these will be available every day until further notice.

If you as a family change your mind about your requests for in school education, then please contact us and we will look to support you with this.

As a school we will provide transport if families are unable to do this, until this is arranged with Worcestershire.

For those parents whose child receives a free school meal, you will be receiving a phone call from the Kitchen staff to discuss this.

I am so sorry about the inconvenience caused by this lockdown and the very short notice for arrangements.

Yours sincerely
