This week 14US have been dreaming of their holidays. They enjoyed a Zoom story with their friends “We’re Going To Ibiza!” Holly showed us her best dance moves at the Boat Party. Great dancing Holly!

Jessica was feeling Hot, hot, hot on the beach! Cool glasses Jess! They will help keep the hot sun out of your eyes.

Jack soon cooled down with his special fan. It sprays water too! Maybe you could share it with Jess to help her cool down.

Jimmy had a great idea to cool down, a big Ice-cream! It looked delicious Jimmy ,but watch out for those annoying seagulls!

Ange and Lisa showed us things they had collected from their holidays. Ange had some lovely shells that were all different sizes. They look lovely Ange, can you hear the sea in them? Lisa had a special bottle filled with sand and shells that came all the way from Kos, they were very noisy when she shook them and the sand is all soft.

What a fabulous trip to Ibiza we all had!

Our very own Jamie Oliver. Timothy has been helping out at home, especially in the kitchen! He has been helping Nan with the baking by operating the switches on the kitchen appliances. Are you thinking of entering the Great British Bake off? Make sure you try one to make sure they taste as good as they look! You have even made some extra cupcakes for all your friends in 14US too! After all your hard work it must be time to chill out in your big beanbag. We are so proud of how you take the picture of your bean bag to Dad to show him what you want!

Fern is a big Bingo fan along with her Mom and Dad. She goes to Bingo every week to socialise with friends there. Mom calls out the numbers and Fern often shouts out to show her support.

As Fern has been missing her usual hobbies, we would like to have a zoom -sensory bingo session on Thursday. I hope you can all join in and make it the best bingo ever!

(Ange will send out the invites next week)

Hi to every one at college. Hope you are all well. 14US would like to invite you to our next zoom session which will be on Thursday morning.

This will be a bingo game especially for Fern who is a big fan of the game.

It is bingo with a twist! You will need to collect 6 sensory items from the list that Ange will send out next week. When Ange pulls an item out of her bag from the list you will have to check to see if you have that item. The first person to get all 6 items will need to shout BINGO!

Hope some of you can make it, it will be lovely to see you :)

Please let someone from college know if you would like a zoom invite.
