5<sup>th</sup> February 2021

Dear Parent Carer

As you will be aware there was a recent Government announcement outlining that schools would be operating a phased return for pupils from Monday March 8<sup>th</sup> 2021. From a Chadsgrove perspective, we have been operating on a phased model since June 2020 with children in either full or part-time. We aim to continue our offer of mornings or afternoons until we break up for Easter on Thursday 1<sup>st</sup> April. Should you require a place between now and Easter, either full or part-time, please do let us know and we will try our very best to accommodate your son/daughter.

Our plan for after Easter will be to increase the number of children in school, however, I trust you implicitly as families to make the decision about what you think is best for your child. There may be further Government announcements, which will require me to write again with regard to this point, however, I have no intention of putting pressure on families to send their child into school if they do not think it is in the child's best interests. As a school, we will be open for all children full-time should you wish to have a place for your son/daughter from Monday 19<sup>th</sup> April.

I very much value our working partnership, which has only grown stronger over the last year and it is always my aim to work alongside you to get the very best for you and your family.

Yours sincerely

Deb Rattley  
Headteacher
