

CHADSGROVE CHRONICLE

STAY HOME, STAY SAFE, PROTECT THE NHS

WELCOME TO ISSUE 1 OF THE CHADSGROVE CHRONICLE IF YOU HAVE ANY LOCKDOWN PHOTOS YOU'D LIKE INCLUDED PLEASE EMAIL TO STEPH DALEY SJD78@CHADSGROVE.WORCS.SCH.UK

Tom doing his 30 minute Joe Wicks' videos and Wii fit activities as part of his Duke of Edinburgh Bronze Award. Tom looks forward to his physical activity in the morning and is doing really well. We hope you have Mom and Dad doing the exercises with you Tom. Keep up the good work.

Daisy enjoying being outside on her trampoline. Go Daisy.

Thea has been very busy.....

Thea has been on her bike trailer.

Enjoying playing with her Lego in her playroom.

Thea doing water play, one of her favourite things.

Thea making a volcano for a science experiment, well done Thea.

Charlie has celebrated his 14th birthday in lockdown.
Happy birthday Charlie we hope you enjoyed your day. Your
cake looks fabulous.

Charlie has also been enjoying
spending time outside in the garden.
We have had some lovely sunny days
Charlie.

Jack has been busy doing all his physio. He has some caterpillars that are now in cocoons and will hopefully turn into butterflies soon. Would you send us some photos of them Jack if they hatch?

11US getting to grips with Zoom.
What a lovely way to see your
school friends and teaching staff.

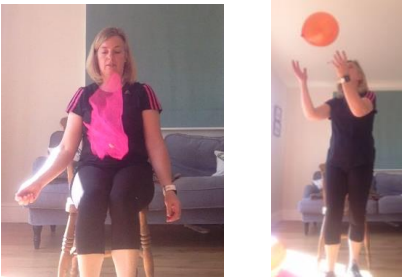

Not to be outdone, 9US giving a Zoom meeting a go and
hoping to do another next week.

Mrs Taylor’s weekly fitness challenge, feel free to share your pictures and results to the email address above.

Weekly Fitness Challenge
Week 3
Catching Challenge

Use any objects from around the home to do the catching challenge
How many can you do in 1 minute?

The full video is on the school website under Home Learning/subjects/PE

Challenges from week 1 Balance and Week 2 Keepy Uppies are also on the website

A brief video is also released on the PE twitter page on a Monday morning
Chadsgrove_PE@ChadsgroveP

Send pictures of your challenge to your teacher to be published in the newsletter next week or tweet your challenges

Good luck
Mrs Taylor

NATIONAL TRUST POTTER AND PONDER.

We have added a link on the school website for the National Trust’s Potter and Ponder project. It’s a wonderful project for families to be involved in, celebrating beautiful outside spaces and culminating in a piece of original artwork for play at Croome Park.

We hope you enjoy this exciting opportunity!

Please send your ideas to Julia Lloydlagston, Art Teacher jll63@chadsgrove.worcs.sch.uk

SCIENTIST OF THE WEEK

Huge well done to Tom who has been working hard at home exploring solutes and solvents. Keep up the good work!

If you would like to be our next Scientist of the week then let Mrs Hockey know what you’ve been up to: aer53@chadsgrove.worcs.sch.uk. Check out the Science page on the website for ideas for some experiments and investigations you can do at home!

HOW CAN WE NOT INCLUDE THIS GENTLEMAN, HAPPY 100TH BIRTHDAY COLONEL TOM MOORE.

This gentleman has raised £30,000,000.00 for the NHS by walking laps of his garden with his walking frame as he neared his 100th birthday. An absolutely amazing achievement for which we salute you sir. Thank you.
