

## SENCO Strategic Support

As the new SEND reforms become established, the SENCO role includes increasing strategic responsibilities, including evaluations of the effectiveness of support provided to ensure progress is made by pupils with SEND.

We can offer support, guidance and advice for SENCOs in the progression, monitoring and evaluation of school systems and SEND policy. This may include support with effective data collection and tracking for children with SEND, monitoring the delivery of high quality differentiated teaching, and advice on supporting the identification of pupils with SEND and implementing appropriate interventions.

Support is offered at the following rates:	<b>Half day</b>	<b>£195 (4 units)</b>
	<b>3 half days over year</b>	<b>£550 (11 units)</b>

*Prices stated are for pay-as-you-go. Packages of units may be pre-purchased, offering a reduction in cost: 10 units for £450, 20 units for £890. Additional units are available to top-up packages at £45 per unit.*

## SENCO Network

The SENCO Network led by Lorraine Petersen OBE is firmly established as a highly valued resource, providing regular updates, expert advice and interactive discussion to enable SENCOs to develop effective practice. Because the SENCO role is unique within schools, it may feel isolated. Meetings offer the chance to share concerns, get advice on specific issues and identify good practice with colleagues.

Membership of the SENCO Network includes attendance at termly meetings, a termly newsletter with important updates on SEN policy, and one delegate place at the annual SENCO conference hosted by CTSA. Membership runs from 1<sup>st</sup> September each year. A reduction in fee may be made for those that join part way through an academic year.

Membership costs **£200 for 12 months**.
