## Sports Week

### Special Edition

**Welcome to week 8 of our class news letter. We have dedicated this one to sports week and would like to say a massive thank you to Mrs Taylor. She has worked so hard and created lots of great activities for you all to take part in and get into the sporting spirit. We can see by all of your amazing photos and videos that you have all enjoyed yourselves and got your families involved in all the fun. Well done to all of you in 14US, we are bursting with pride with all of your efforts.**

**We will be including more sports pictures and news next week too so keep sending them in.**

Jimmy has been showing his competitive streak this week and took part in the sensory orienteering. He found lots of hidden items around his garden. He really liked the smell of the oranges and of course the chocolate. Luckily he missed the garlic one which was a lucky escape as it stinks worse than the stinky chickens!

More items Jimmy found included noisy pigs, soft cotton wool and bright colourful material. I think Miss Wellings would like to see your pig Jimmy, she collects them. Click the link to hear Jimmy's pig— <https://youtu.be/tQEaEOj5z70>

Jimmy certainly got the whole Wolohan family involved with all of his sports events. He had lots of fun with the slalom relay races. Which team recorded the best time? See what you all think and watch the clips below.

Timothy has been cheering on his blue team this week and taking part in the sensory orienteering. He found lots of items around his garden but his favourites were the sounds. The sound of gravel in a container was a particular favourite of Tim's however he was not keen on the smell of coffee, peppermint, cinnamon or vanilla.

The heat was a bit too much for Timothy to push himself too far in the slalom race so he was happy to have some help. Great team work and effort there by the Biggs family.

Well done for being so careful with the egg Timothy, Mrs Taylor will be so pleased. Well done for all your effort.

**Holly and the whole family had loads of fun racing in the slalom, rolling the ball as far as possible using the ramp and of course the dreaded egg and spoon race! I hope you didn't make your sister or Dad jump Holly. They are concentrating very hard not to drop them. Well done everyone.**

A throwback to great times and Jack getting competitive for the blue team!

A bit too hot for sports this week Jack but I bet you have enjoyed swimming in your pool.

Pool party at yours Jack?

## GO TEAM BLUE!

Megan and Kyle have both worked hard on their team flags this week. We love the different shades of green Kyle!

Megan has gone for an underwater theme for her blue flag. I wonder if that's because you love splashing so much!

Great work both!

**Hello to all our college friends, we hope you have had lots of fun during sports week too!**

**It was great seeing Brandon during our sports story zoom this week. He represented the yellow team and his sister Maddie was the blues. Brandon was excellent at the massage strokes and waved his flag with enthusiasm. Well done both!**

**I hope pupils in 14US have had chance to check out your news letter each week. We loved the videos James made for us, especially the jokes! They made us laugh. Thanks James. Please click the link to watch Ciara's sensory story <https://youtu.be/GnJNWStMvLE>**

**Sheldon Snails Sunbathing Session. Very appropriate with this weather we have been having!**
