

Literacy, Language and Communication

Our team of experienced practitioners can provide support and advice on providing effective support for developing reading, writing, spelling and communication skills. We can provide specific expertise in supporting pupils with dyslexia, enabling pupils to use ICT to develop Literacy and communication skills, and using Signalong sign-supported communication.

We have identified below a range of support packages, however we will also devise bespoke support and training to meet the specific needs of individual schools or groups of schools.
