

Research!

- Research can be so much fun!
- Every class has at least one artist to research
- I spent some time looking at Toulouse Lautrec, just like 11US are planning to do.
- I learned so much!
- A good research page would have some sketching
- Some examples of the artists style
- Some facts
- Your thoughts
- Bubble writing
- Interesting colours
- A research page should teach your reader something about your artist
- A research page should be exciting!
- Now its your turn...

Post Impressionism # Art Nouveau.

Paul Cézanne
Vincent Van Gogh
Paul Gauguin

Also influenced by
"Japanese Woodprints"
(Popular in Paris)
Posters.

The Moulin Rouge Cabaret 1889

Produced a series of Posters.

Circus - The Greatest Showman..

Style

Highly linear
lots of Contouring

THE GREATEST SHOWMAN..

Research Page Sat 18th April 2010

Henri de Toulouse-Lautrec

(29 November 1864 - 9 September 1901)

• Painter
• Printmaker
• draughtsman
• caricaturist
• illustrator

4ft 8 in tall.

Alcoholic
Bohemian
Outspoken
Fighter

Theatrical life in Paris

In 2005 at
Christie's auction
'La Blanchisseuse'
(young laundress)
Sold for
us\$22.4 million

Lived in Paris,
Montmartre

Bohemian lifestyle
Popular with artists, writers

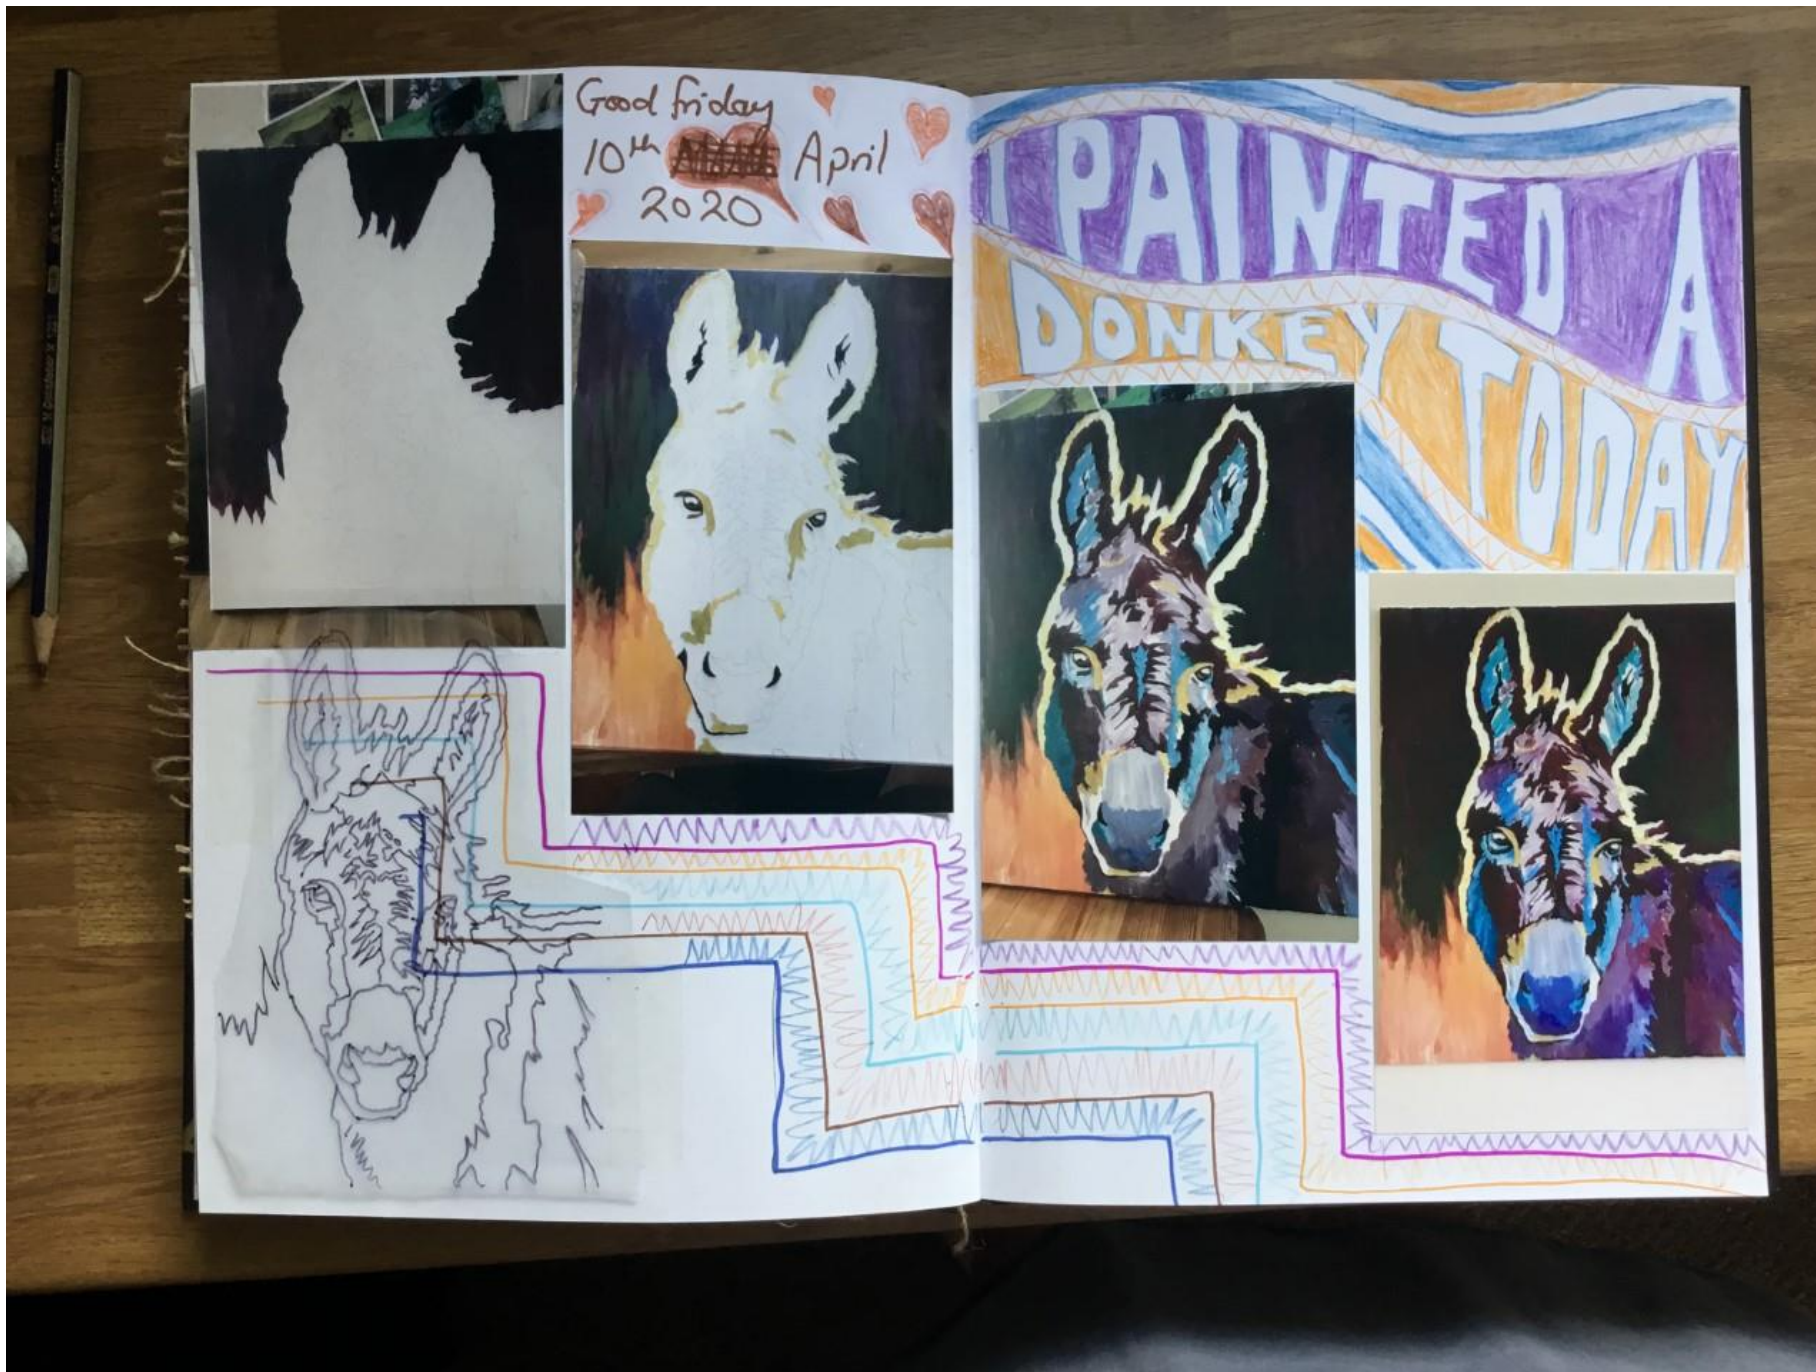

Garden Art

- Look around your garden
- Collect interesting things
- Make them into something new!
- I have gathered sticks and twigs in bunches
- I have tied them together in triangle shapes
- And made a star!
- I added the wooden heart for extra interest
- Now you have a go...
- 12US this works well with your summer sculpture project..

Drawing and Painting

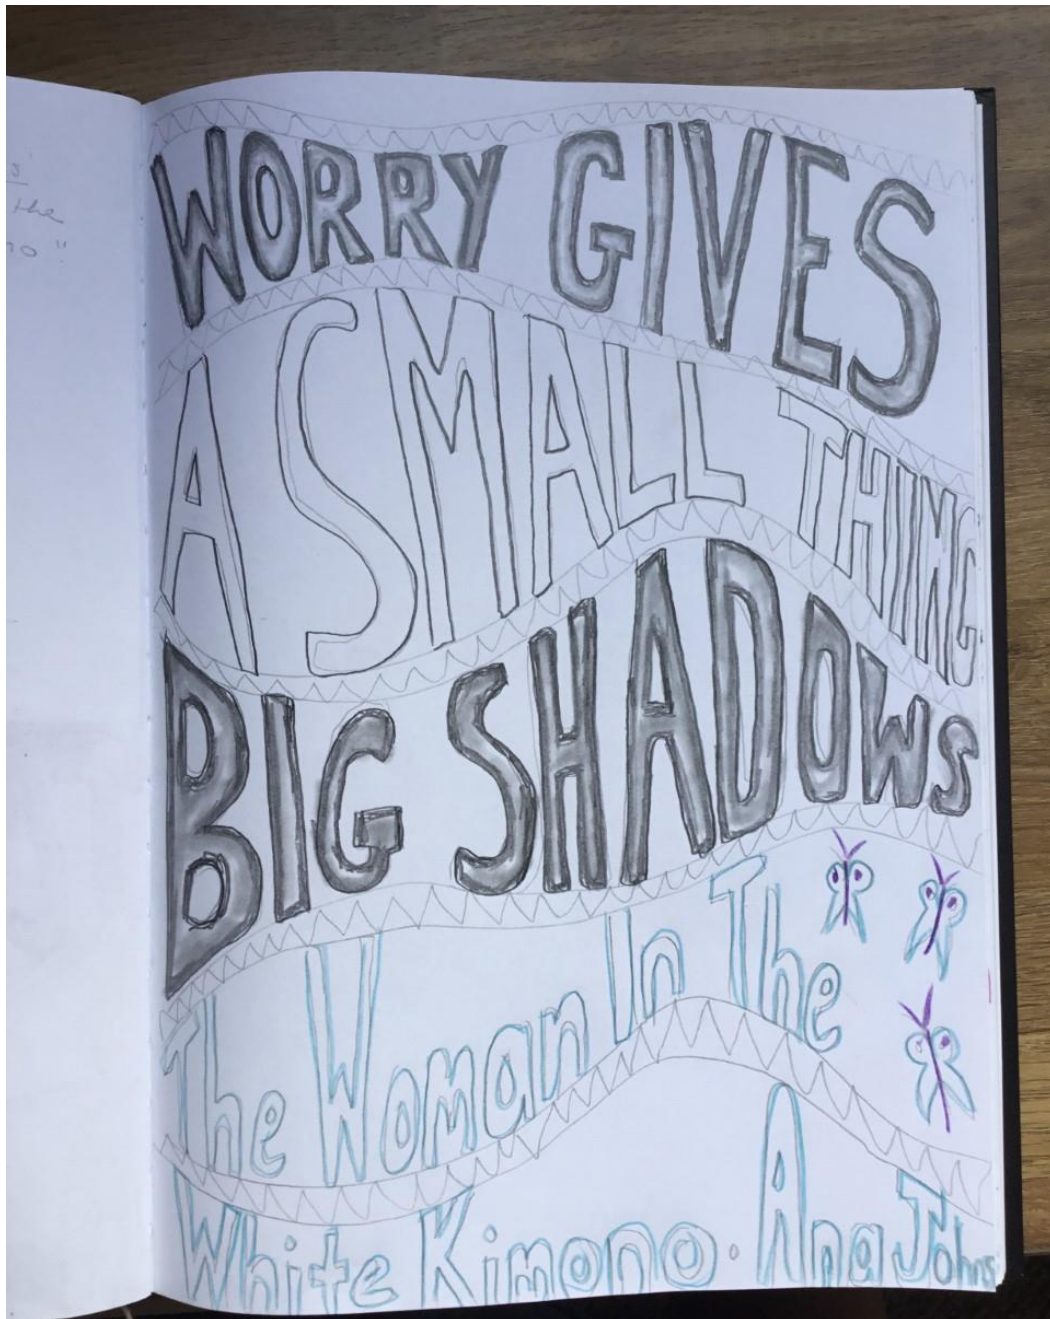

- Find a picture of something you love
- Print it out or copy it
- Add your own colours if you want to.
- One of my favourite animals are donkeys
- I found a picture
- Printed it out
- Sketched it
- Added my own colours
- I used acrylic paint
- I took photographs
- I made a page for my sketchbook.
- Now you have a go...

Bug House

- Build a bug house in your garden
 - Collect bits of natural stuff that bugs might like
 - Sticks
 - Pine cones
 - Bark
 - Bamboo
 - Plant pots (these could be broken, the bugs don't mind)
 - Think about small spaces where bugs can hide
-
- I built mine in an old bird house
 - You could think of something different
 - Maybe a plastic bottle with the ends chopped off...
 - Maybe an old flower pot
 - Be creative and have fun!
-
- I have taken photographs and made a page in my sketchbook.
-
- Sketchbooks are the perfect place to practice your bubble writing too!

Bubble Writing Practice

- It is always fun to work with letters and words
- I have taken some words from a book I was reading
- 'The Woman in the White Kimono' by Ana Johns (a very good book!)
- I tried out different writing styles
- I practiced my shading
- Think about words that mean a lot to you
- Now practice your bubble writing
- 11US and 8LS this would be a good activity for you for your summer art project

Garden Art

- Junk Jellyfish Windsack!
- My instructions are difficult to read so I'll write them out again for you, **you will need adult help to do this....**
- Find a recycled bottle* cut the lid off* chop the bottle into strips towards its base* light a candle* very carefully hold each strip over the candle* it will melt, bend, warp and shrink!* repeat with each strip* add decoration to your jellyfish and string to hang her up by* Your fabulous creation is complete!
- 12US this could be good practice for your garden sculpture work this term...

Junk Jellyfish

Windsack! bottle • cut the lid off • chop the bottle into strips towards its base • light a candle • very carefully hold each strip over the candle • it will melt, bend, warp and shrink! • repeat with each strip • add decoration to your jellyfish and string to hang her up by • your fabulous creation is complete!
