Emma Nolan's Maths and English Sets - Information for Parent Carers

Dear Parent carers,

I hope this letter finds you all well and that you are managing under these unprecedented circumstances as best you can.

I wanted to let know about the work that I will be setting for your children.

All of the pupils' work will be set up on Education City (all passwords and log in details have been sent out with your child prior to the school closure).

I have created "Cities" for the groups, they are located in "My City"/ Homework, from here you will see your child's name. I will be logging in regularly to see how the pupils are getting on and identify any work that the pupil/s are finding a little bit tricky, then I will start to record and post "how to lesson" videos.

Firstly, my plan is to get pupils to recap over previous learning that has taken place over the year and identify any additional work that may be required. Please try and allow the pupils to work as independently as possible, so that I can get a clear picture of their needs.

I am happy for you to contact me directly through my school email with any questions or queries that you may have, my email is: ejn24@chadsgrove.worcs.sch.uk

I can also send out worksheets for pupils to complete, however I am aware that not all families have access to a printer.

If you have any queries please contact me.

Keep well and safe.

Best Wishes

Emma Nolan
