

Learning Support Team

The team is made up of Specialist Leaders of Education, teachers and assessors experienced in working with children and young people with a range of special educational and additional needs.

The team carry out assessments to identify challenges to educational progress and make recommendations based upon their findings. These recommendations may include individualised programmes of support, approaches and strategies, classroom support and advice on inclusive practice.

Whole school or group training is available for In-service Training days or as twilight sessions. Please see our In-House Training sheet for details.
