## Cultural Capital at Chadsgrove School

### Duke of Edinburgh Award

The Award provides pupils with a balanced programme of activities that develops the whole person – mind, body and soul – in an environment of social interaction and team working. Taking part builds confidence and develops self-esteem. It requires persistence, commitment and has a lasting impact on the attitudes and outlook of our pupils. In July 2019, the whole school took part in a mini expedition around the local area.

### Cultural Celebrations

We celebrate a festival each month and this is displayed in the hall.

We ensure that all faiths and cultural occasions are celebrated, ensuring cultural diversity.

We have a culturally diverse menu allowing pupils to sample food from around the world.

### Community Experience

We participate in many community events including:

Horse Riding at Stourport Riding School.  
THRIVE - extending our horticultural skills.  
Keep on Moving – a community sports club at the local leisure Centre.  
Visits to the Akamba Heritage Centre.  
Community projects with Severn Arts.

### Reading

Pupils study both classic and contemporary texts from children's literature including great writers from the canon of British literature such as Dickens and Shakespeare.

Contemporary texts studied often deal with issues relevant to their own lives. For example, 'Wonder' by R.J. Palacio tackles issues of disability.
